

# **Capsule Course**

on

## **Indian Standards on Code of Practice for Reinforced Soil Structures**

**02 September 2024**

**at Manak Bhawan, BIS, New Delhi**

**Organized jointly by  
National Institute of Training for Standardization (NITS)  
and Textiles Department,  
Bureau of Indian Standards**

**Bureau of Indian Standards (BIS)** being the National Standards Body of the country discharges multitude of functions and services for enhancing the quality ecosystem in the country. The activities of BIS include standards formulation at national and international level, conformity assessment schemes (Product Certification, Systems Certification, Registration and Hallmarking), testing and training. All these activities are carried out through their network of offices at its headquarters, regional and branch offices and labs spread throughout the country.

Soil, being inherently weak in tension, often requires reinforcement to enhance its performance in structural applications. Reinforced soil retaining structures consist of near vertical or steep sloped earthen embankments reinforced with geogrids. This technology has become important in highway construction as it helps reducing the right of way (ROW) and reducing the quantity of material required, thereby providing a cost effective and environmentally friendly solution.

Bureau of Indian Standards has recently published IS 18591: 2024 Code of Practice on Geosynthetics Reinforced Soil Structures, which covers investigations, material specifications, design, detailing and construction of the following types of reinforced soil structures:

- a) Reinforced soil walls
- b) Reinforced soil slopes
- c) Reinforced soil true abutments
- d) Shored reinforced soil walls/slopes and embankments with basal reinforcement/mattress.

This standard provides comprehensive and detailed guidance to enable engineers to design and construct reinforced soil structures that are safe, serviceable and durable.

This comprehensive course is designed to provide participants with a thorough understanding of the IS 18591: 2024 code and its practical applications. The course will equip participants with the knowledge and skills necessary to design and construct safe, efficient, and durable reinforced soil structures—including walls, slopes, true abutments, shored walls, and basal reinforcement—using geosynthetics. It will cover the fundamentals, current best practices, and emerging trends in the field, with a focus on practical applications and compliance with IS 18591: 2024. At the end of the course, participants are expected to:

- a) Understand the new IS 18591: 2024 code of practice
- b) Apply design principles and practical applications using IS18591: 2024.
- c) Implement best practices in construction using IS 18591: 2024.
- d) Engage in professional development and networking

## ***Learning Objectives***

- To make the participants aware about the design principles, philosophies, and methodologies for Reinforced Soil Structures as per IS 18591
- To equip the participants with the knowledge and skills necessary to design and construct safe, efficient, and durable reinforced soil structures—including walls, slopes, true abutments, shored walls, and basal reinforcement using IS 18591
- Discuss construction practices and detailing mentioned in IS 18591

## ***Training Methodology***

- Classroom based with combination of lectures and presentations, etc.

## ***Fee***

- **The course fee is Rs. 1000/- + 18% GST per participant.**
- Participants have to arrange transport and accommodation on their own.
- Accommodation and transportation charges have to be borne by the participants.
- **No training fee for Government Officials (Central/States/UTs) officially nominated by their department heads.**

## ***Who should attend?***

The course is designed for:

- Geotechnical engineers, geosynthetic design engineers, and highway construction professionals involved in designing and executing highways and expressways in different terrains
- Senior government professionals responsible for directing these activities
- Geosynthetic manufacturers, suppliers and contractors
- Researchers and academicians in Geotechnical Engineering

## ***Criteria for Selection***

- Selection on First Come First Serve basis

## ***Certification***

- Certificate will be awarded to all participants on completion of course

## ***Venue***

- The course will be held at **Auditorium, Manak Bhawan, BIS, New Delhi**
- Address: Manak Bhawan,  
Bureau of Indian Standards,  
9 Bahadur Shah Zafar Marg,  
New Delhi-110002, India

## Training Module

### One-Day Capsule Course on Indian Standards on Code of Practice for Reinforced Soil Structures 02 September 2024 at Manak Bhawan, BIS, New Delhi

Time	Session	Faculties/ Speakers
10:00 h - 10:10 h	Welcome Address	Shri J. K. Gupta, Sc-E & Head (Textiles)
10:10 h -10:20 h	Keynote Address	Shri Rajeev Sharma, Sc-G & DDG (Standardization-I)
10:20 h -10:30 h	Special Address	Prof. G. V. Rao, IIT Gandhinagar
10:30 h-1100 h	Brief Overview of IS 18591: 2024 – Geosynthetic Reinforced Soil Structures	Shri Himanshu Shukla, Sc-B (Textiles)
11:00 h - 11:15 h	<b>Tea Break</b>	-
11:15 h - 13:00 h	<p style="text-align: center;"><b>[Technical Session – I]</b></p> <p style="text-align: center;"><i>Presentations on the technical aspects of:</i></p> <ul style="list-style-type: none"> <li>a) Subsurface Investigation</li> <li>b) Soil Materials</li> <li>c) Design of Reinforced Soil Walls – I</li> <li>d) Design of Reinforced Soil Walls – II</li> </ul> <p style="text-align: center;"><b>Q &amp; A session</b></p>	External Faculty
13:00 h - 13:30 h	<b>Lunch Break</b>	-
13:30 h - 15:30 h	<p style="text-align: center;"><b>[Technical Session – II]</b></p> <p style="text-align: center;"><i>Presentations on the technical aspects of:</i></p> <ul style="list-style-type: none"> <li>a) Design of Reinforced Soil Slopes</li> <li>b) Design of Basal Reinforcement</li> <li>c) Basal Reinforcement with Geocell</li> </ul> <p style="text-align: center;"><b>Q &amp; A session</b></p>	External Faculty
15:30 h - 15:45 h	<b>Tea Break</b>	-
15:45 h - 17:30 h	<p style="text-align: center;"><b>[Technical Session – III]</b></p> <p style="text-align: center;"><i>Presentations on the technical aspects of:</i></p> <ul style="list-style-type: none"> <li>a) Reinforced Soil True Abutments</li> <li>b) Shored Reinforced Soil Structure Testing and Geosynthetics Specification</li> <li>c) Detailing &amp; Construction Aspects Drainage Detailing</li> </ul> <p style="text-align: center;"><b>Q &amp; A session</b></p>	External Faculty

## ***How to Apply?***

Application has to be made through BIS Training Portal by following the steps mentioned below:

- |   |
|---|
| • <b>VISIT</b> the e-BIS Website: <a href="http://www.manakonline.in">www.manakonline.in</a>  |
| • <b>CLICK</b> on the "Training" Head   |
| • <b>LOGIN</b> by clicking on the blue "LOGIN" button on the top right corner   |
| • <b>SIGNUP</b> by clicking on "SIGNUP" on the Member Login Page if you are not a member otherwise "SIGN IN" using your credentials |
| • <b>FILL OUT</b> all the fields and click on "REGISTER" and complete the registration process                                      |
| • <b>CHOOSE</b> the course you want to apply for, fill in the required information and "PAY" the requisite fee.                     |

In case you are unable to submit your nomination on the BIS Training Portal, the same may be done by emailing filled up nomination form to [nits@bis.gov.in](mailto:nits@bis.gov.in). In that case, payment of the requisite fee may be made via NEFT/UPI to the Bureau of Indian Standards Bank Account, details of which are mentioned in the nomination form.

## ***Contact***

For any further queries, you may contact:

**Shri Yajur Digvijay Singh Brar**

Management Executive and Course Coordinator,

Mobile – 9463049901

***Email:*** [nits@bis.gov.in](mailto:nits@bis.gov.in)

BUREAU OF INDIAN STANDARDS

**Nomination Form**

Name of the Programme			
Date of the Programme		Venue:	
Sponsoring Organization (OR In Individual Capacity) with complete Address			
Telephone /Mobile Number			
Organization/Firm GST No.			
Email ID			

**Participants Details**

Sl. No.	Name (IN CAPITAL LETTERS)	Designation	Contact No.	Email
1.				
2.				
3.				
4.				
5.				

Will you stay in Hostel?		If yes, please mention the date and time					
Yes	No	Arrival	Date	Time	Departure	Date	Time

**Details of Payment (in Rupees)**

Training Fees *	Hostel Charges *	GST ##	Discount, if any	Total amount

**Mode of Payment**

Name of Bank	UTR No. & Date of transaction # (for NEFT/Net banking/ IMPS/UPI payment)	Amount (in Rs.)

\* For Training/hostel fees, see NITS Training Calendar at BIS website [www.bis.gov.in](http://www.bis.gov.in). (Stay in hostel is charged on Night stay basis).

# For payments by **NEFT**, Payment should be made to **Bureau of Indian Standards, Savings A/c No. 712210100000650, Bank of India, Sec-62 Noida, Branch Code 7122, IFSC Code BKID0007122.**

## NITS GST No. 09AAATB0431G2Z8, SAC Code: 999294 Applicable GST@ 18% on Training fee and Hostel fee.

Date: \_\_\_\_\_

Signature and Seal \_\_\_\_\_

The nomination form should preferably be scanned and e-mailed to [nits@bis.gov.in](mailto:nits@bis.gov.in), [hnits@bis.gov.in](mailto:hnits@bis.gov.in), and reach NITS at least one week before the programme date. For sending hard copy may be addressed to:

**Head, National Institute of Training for Standardization (NITS), Bureau of Indian Standards,**

**A – 20 & 21, Institutional Area, Sector – 62, NOIDA - 201309, U.P.**

Phones: 0120 – 4670227, 4670232, Email: [nits@bis.gov.in](mailto:nits@bis.gov.in), [hnits@bis.gov.in](mailto:hnits@bis.gov.in), Website: <http://www.bis.gov.in>

**Important:**

1. Participants are requested to get the confirmation from NITS, whether, nomination has been accepted or not **before attending the programme.**

**2. Rules for Refund of Training & Hostel Fees:**

a) A refund of full fees shall be made when cancellation/withdrawal of nomination is made **at least 15 days** in advance of the date of the training.

b) Cancellation/withdrawal of nomination is made **less than 15 days** in advance of the date of the training programme or is not informed, a **cancellation charge of 25%** of the training fees would be levied. The balance amount after deducting the cancellation charges would be returned.

c) Hostel fees if any, paid in advance shall be returned in full.
